ACCOUNTING POLICIES (EXTRACT)
Approved by the director, 1 July 2026

1. Property, plant and equipment
1.1 Items of office equipment, furniture and computer equipment are capitalised when their cost, net of any trade discount or supplier credit, is AUD 1,000 or more, excluding GST. Items costing less are expensed when bought.
1.2 Capitalised items are depreciated on a straight-line basis from the date they are ready for use: office equipment over 5 years, furniture over 10 years and computer equipment over 3 years.

2. Revenue
2.1 Revenue is recognised as each contract's performance obligations are satisfied: monthly support fees in the month in which the support is provided; development work when it is complete and accepted under the contract; training when it is delivered; and on-site project management for each on-site day as it is provided.

3. Expenses
3.1 Expenses are recorded when incurred, on the basis of the supplier's tax invoice or the employee's approved expense claim.
