Subject: Portal programme - price concession on ORC1026

Hi Alex,

Thanks for meeting with us this morning about the next stage of the portal programme.

As agreed, the Department will accept a price concession of AUD 1,050.00 plus GST on invoice ORC1026 for the portal module, as part of our agreement to continue with you for the next stage. The concession is a commercial arrangement agreed today. The module was deployed and the completion certificate was signed on 17 September 2026, and we have no issues with the work delivered.

Please send us a credit note for AUD 1,155.00 including GST. We will pay the balance of ORC1026 net of the credit.

Regards,
Priya Natarajan
