Synthetic - for demonstration only

Management response to proposed audit adjustments

Numbat Electronic Components Pty Ltd

Synthetic management communication dated 20 July 2026, acknowledged by the directors.

SI-C02: goods accepted on 3 July 2026; reverse FY2026 revenue and receivables AUD 12,345.67.

BA-C01: recognise accrued interest receivable and interest income AUD 355.55 at 30 June 2026.

Management agrees to both corrections. Entries AJE-C01 and AJE-C02 were posted on 20 July 2026.

These corrections address all proposed amount errors in this compact synthetic demonstration.
